Greeting Golf Fans:

As some of you are aware, Brett Packee, Founder of CORE Golf and 2008 IPGA Teacher of the Year, and Dr. Jeffrey Fishbein, Sport Psychologist to Northwestern University, the Florida Marlins, and Founder of Fishbein Performance Consulting, have created an indoor golf studio available for private membership. The concept of "The Studio" is to allow an exclusive group of members a facility where you can work on your golf game year round. "The Studio" is located in Deerfield at 770 Lake Cook Road, Suite 140 on the corner of Lake Cook and Pfungsten Rd. The 2000 square foot area will house three hitting bays, a 450 square foot putting surface (best available), short game area, computers with V1 software for swing analysis, and a TOMI putting lab. Included in the membership will be the opportunity to attend seminars, be trained on the software for your own personal use, and use the club fitting and club repair area.

The specifics are attached including a special events calendar, Studio hours and other important information. If you are interested in joining, feel free to contact Jeff or Brett with any questions or please fill out the attached membership document and mail to: The Studio, 770 Lake Cook Rd, Suite 140, Deerfield, IL 60015.

Thank you for your interest in The Studio, and we will see you inside.
